Scrape and Screw

After all, I had done my good deed for the day. And Dania, all dolled up for work, had been most appreciative.

Damned near the entire country was in the grip of a polar vortex; my icy windshield attested to this, mocking me as I sprayed it with a liberal coating of de-icer. Shaking my head disgustedly, I leaned over the hood and went to work with my scraper. I resigned myself to being late for work. Hell, I had been late every day this week, ever since the frigid air had come down from Canada.

My breath plumed in the brutally cold air as I finished the arduous task. I was just about to climb behind the wheel and head to work when I noticed Dania's hatchback across the street. She sat behind the wheel waiting for her defroster to take effect. She was in for a long wait as her windshield looked even icier than mine had.

They say chivalry is dead, but I refused to believe that; especially where Dania, my hot neighbor, was concerned. De-icer in one hand, scraper in the other, I crossed the street and tapped on her driver's side glass.

She regarded me with startled eyes, then smiled and lowered the

window. "You scared me, Allen."

"Sorry about that." I frowned at her windshield. "A defroster is no way to do it, Dania. You'll be here all morning like that."

"Yeah," she said, "I've been meaning to buy a scraper and all but—"

"Have no fear," I told her. "Allen is here."

I proceeded to give her windshield the same treatment I had given mine. I had her all fixed up in no time.

"Thank you so much, Allen."

"No problem."

"Don't be a stranger," she added. "Debra and I miss those little get-togethers we used to have."

I bade Dania a good day and returned to my car, feeling better about life in general. After all, I had done my good deed for the day. And Dania, all dolled up for work, had been most appreciative.

The "little get-togethers" I used to enjoy with Dania and Debra were innocent affairs; just neighbors meeting for drinks, good food, and quality conversation.

I don't know why we ever stopped. Hectic lives, I guess. Both Dania and Debra were busy graduate students. And most nights after work I was too tired to do much of anything; my self-imposed isolation had been even worse during the recent cold spell.

But Dania's remark – Don't be a stranger – gave me confidence that things were about to change for the better.

I called Dania the very next morning and invited her and Debra over for my famous lasagna. Dania checked with her roommate, then called me back immediately. "We'd love to," she said. "Can I bring anything?"

"A bottle of wine would be nice."

"Consider it done," Dania replied. Then she said, "And you'll

be happy to hear that I bought some de-icer and a scraper."

It was bittersweet news. I was pleased that she had taken my advice to heart, yet disappointed that I would no longer have an excuse to play her knight in shining armor.

"I guess I'll have to find somebody else's windshield to scrape," I responded jokingly.

"Super Allen to the rescue," she remarked.

Of course I had no reason to believe that things would turn out like they did. Previous gatherings with Dania and Debra – most of which had taken place at their apartment – had been strictly platonic.

But that changed.

Boy did it ever!

After dinner Dania and Debra insisted on doing the dishes. I sat at the kitchen table finishing off a good bottle of merlot and admiring the view.

Working at the sink with their backs to me, Dania washing while Debra dried, they moved their lovely bums enticingly. Both had worn tight-fitting wool skirts with thigh-high leggings; a deliberate strategy, I know now, to titillate their host.

I did a double-take when they started making out at the sink. Dania and Debra had never struck me as lesbians. Then again, what the hell did I know? Maybe they were curious. Or perhaps they were just making out for my benefit; though I doubted this. Theirs was no act. They were enjoying themselves to the full.

And so was I. Unable to resist, I unzipped my chinos and pulled out my cock . . .

I stroked myself as the show heated up. Their sweaters and lace bras were off, piled on the counter beside the drying rack. Dania withdrew her lips from Debra's and proceeded to service her roommate's tits.

I watched with increasing excitement, tugging my turgid prick as Dania licked and suckled Debra's nipples. Minutes later Debra reciprocated in full, driving Dania wild with her talented tongue. She gasped delightedly and regarded me from across the room, a playful smile creasing her features as she watched me jerk off.

She whispered something to Debra. I had no idea what. But it was definitely something good because they abandoned the sink and joined me at the table.

Dania knelt beside me and removed my shoes. "Let's get out of these pants, shall we . . ."

I straightened my legs, one after another, as she peeled my chinos. I tossed my boxer shorts aside with a quick flick of the wrist; this as my other hand continued to jerk my tumescent member.

Debra joined Dania, kneeling at her friend's side. They licked their lips in unison, my cue to give my hand a rest and let them take over.

Dania varnished my shaft with her tongue while Debra sucked my balls. I groaned and squirmed in the straight-backed chair. It wasn't long before Dania had me in her mouth, gobbling me

with ravenous enthusiasm. Her lips sealed around my cock, she plunged her head back and forth.

After much nibbling of my nuts Debra pulled a chair away from the table. She sat, raised her feet to the chair, and pushed her skirt above her hips. She had worn a pair of white cotton panties; her dark landing strip was visible through the thin material. Shucking the garment with some difficulty – it clung to her ankle before she finally kicked it free – she commenced to playing with her pussy.

Dania, seemingly oblivious of her roommate, sucked my cock with fierce focus. She gave spectacular head. No doubt she had sucked much dick. Practice makes perfect, I thought amusedly, watching her cheek bulge with my engorged glans. If she kept it up much longer I would blow my wad right down her throat, putting an end to our fun.

Thankfully she took a break.

Debra was still at it, rubbing her pussy vigorously while using her other hand to ply her tits.

"We should've done this a long time ago," Dania said to me. "The sex part, I mean."

"I know what you mean,

Dania."

"Better late than never, eh?"

"Sure."

"You did a really nice thing for me yesterday morning, Allen. Your act of kindness warmed my heart . . ."

"I'm glad."

". . . and my pussy."

"I second that," Debra chimed in.

Dania stood, wiped her mouth with the back of her hand, and unzipped her skirt. Her panties were camouflage, but I could see them just fine.

"Oh, yeah, just like that! Fuck me good, Allen!"

I had Dania bent over the kitchen table. Standing behind her, I thrust repeatedly, banging her box with stiff jabs. Her pussy was amazingly tight, clutching my cock like a velvety vise. Her ass took the brunt of my pounding as the kitchen filled with the sound of slapping flesh.

Enjoying the spectacle immensely, Debra had produced a dildo from her purse. Now, still slouched in the kitchen chair, she worked the toy in and out of her hairy cunt.

I fucked Dania in this manner

for some time, slowing my pace whenever I felt a loss of control. In time we switched positions; having pulled out, I watched as Dania turned around and sat on the edge of the table, her feet dangling inches from the floor.

She leaned back on her elbows and opened her legs. "Come and get it, neighbor . . ."

I mentally patted myself on the back for yesterday morning's good deed. I could have easily ignored Dania's plight and driven on to work, missing out on this, the most mind boggling sexual encounter of my life.

I moved between Dania's legs; then, with the aid of one hand, guided my cock inside her. Her snug folds enveloped me, receiving my rigid rod. I paused briefly, took a deep breath, then started to fuck her in earnest.

This new position prompted Debra to get out of her chair. She walked around to the side of the table and held the dildo over Dania's mouth, teasing her with the massive toy. Dania wiggled her tongue inches from the dildo's bulbous glans. Debra toyed with her roommate, taunting and titillating her before finally inserting

the phallus between Dania's lips.

I drove my hips with everything I had, burrowing my manhood to its base with each powerful plunge; this while watching Debra fuck Dania's face with the dildo. Manipulating the phallus with one hand, Debra masturbated with the other, diddling herself as my orgasm approached.

Dania beat me to it. Telltale spasms wracked her body as she tried to scream but couldn't, her outburst muffled by the ten-inch toy stuffed in her mouth.

Realizing this, Debra promptly withdrew the dildo. Dania moaned between breathless gasps as I pulled out and looked at Debra. "Suck me off," I told her.

Debra, clearly thrilled by the prospect of tasting Dania's pussy on my prick, squatted before me without hesitation. She sucked cock with the same slutty vigor she had displayed when servicing my balls. Bobbing her head, she regarded me with a wide-eyed stare. The unwavering eye contact coupled with her ravenous maw sent me over the edge. I didn't even have time to withdraw before my cock went off, depositing a considerable load of cum in her mouth.

Noticing my unease, Dania looked at me and said, "Don't worry about it, Allen. She loves the taste of cum."

"Good to know," I muttered, watching Debra swallow the entirety of my wad.

The three of us continued to have our "little get-togethers" for several months; at least until I landed a better job out of state.

Now I'm in sunny Florida where one hardly needs an ice scraper. Still, I've held on to mine for sentimental reasons. It reminds me of that bitterly cold morning which led to many hot nights with Dania and Debra.

Pledge Week

Damn, what an experience!

When I started college last fall, one of the things I knew I wanted to do was get into a fraternity. They always appealed to me as a great way to make friends for life, and even though I had heard horror stories about some of the things frats might do when it was time to pledge, I decided that whatever it was, it would be worth it for the experience.

Damn, what an experience!

I walked through the lineup, trying to decide which one would be right for me. Some were dedicated to academics, sports, and even anime, but the one I wanted was all about brotherhood. They took me in easily enough, and when it came time to pledge, I already thought this was

the right place for me. And that's when they told me what I had to do: get as many chicks as possible in a week. They didn't care exactly what I got them to do; blow jobs, hand jobs, anal, whatever, but I had to count them up and get them to sign off that we did something.

The brothers told us the clock was ticking, but they made the first round easy on us; a half dozen sorority sisters were waiting for the pledges, one mouth for each of us. They cheered us on as we all got to add a blow job to our list before the welcome party. The event lasted well into the night, and I got a hand job in the hallway and another BJ under the bubbles of the hot tub before I passed out for the night.

The rest of the week was a blur for me, with my penis

firmly in control of my every thought. I don't remember classes, eating, or even sleeping. I do remember red hair, green eyes, firm tits, wet pussy, and plump ass, and I'm pretty sure none of them was the same girl. By midweek, I was spent, but I kept

about to join the betting when a familiar voice behind me told me not to bother. The sorority sister who gave me my welcome blowjob stood there and told me that her sister hadn't lost this game in four years. I backed away and my new friend and I made

going anyway. And by the time the weekend rolled around, I had more than enough names to be accepted into the orgy.

It was like nothing I'd ever seen before. Everywhere, all around the frat house, couples and groups paired up, rolling over each other, having at it wherever they could find the room. On one end of the couch, the frat and sorority presidents were face deep in a 69 that showed him to be more limber than I expected. On the pool table, one of the sorority girls was sandwiched between two brothers, one in her ass and the other in her cootch. In the kitchen, two girls were fingering each other like they were in some sort of dare to see how deep they'd each go.

I found myself joining the crowd and watching in awe as one of the girls lay on the ping pong table outside, sliding ever larger dildos in her wet pussy. A handful of brothers surrounded her and bet on the largest she could take. I was

our way around the pool, finding a free lounge to share.

As we fell into each other's arms, the feeling of the orgy seemed to melt away. She slowly slid onto my raging cock and rubbed her chest against mine. I sensed the crowd forming, cheering us on like they did all the others. I felt more hands move across my chest, long nails playing with my fuzz and nipples, while at least two more cocks were shoved in her face. Yet, her eyes were still locked on mine, like we had this moment shared with so many of our friends. She knew how to use her pussy as well as she did her mouth, squeezing and holding my cock, making me wait for the right moment. I grabbed her by the hips and lifted her up, pounding my balls hard up against her. When I finally released to the cheers of my new brothers and sisters, I realized that my college journey had only just begun.

Victoria woke up feeling extra frisky today, so when she got onto her computer the internet was out. Worse than that, she couldn't get help for a few days. So she calls a friend who can't stop staring at her breasts as he's busy plugging wires into holes. Once Alex is done, Victoria gets a wicked smile plastered all over her face. However can she pay

him back for helping her? Her solution was to show him her perky titties and giving him a peak underneath her panties. Liking what he sees, Alex follows suit, and pretty soon both are on the couch sucking and fucking, and ultimately cumming together.
